

“The latest in living-room play” - Time Magazine

Wits & Wagers is Back in Stock!

Wits & Wagers is trivia made FUN! It is the first trivia game you can win without knowing any trivia. How? By successfully betting on other players' answers. So you can win based on what you know or how well you know your friends. Wits & Wagers also brings out the excitement of a Las Vegas casino. Strike it big by betting on a high payout answer and you'll be cheering like you just hit the jackpot!

This critically acclaimed and award-winning game is sure to be a hit for the 4th quarter. To read about all the Wits & Wagers buzz, check out page 2.
